

By providing outstanding personalized service with the most consistent overnight A.M. deliveries in the Pacific Northwest, Peninsula deliveries more than just your freight, Peninsula delivers Peace of Mind.

Peninsula began operations in 1951 with service between Seattle and the Olympic Peninsula in Washington State. Today Peninsula is the leading regional LTL carrier in the Pacific Northwest. Peninsula is a privately held, family owned, business with the third generation active in the business. Our service center network and line haul operation is designed to enable us to provide early morning deliveries, late afternoon or evening pickups and customer-specific pickup and delivery schedules.

TECHNOLOGY CAPABILITIES

Peninsula offers the personalized touch of a small regional carrier with the technology and capabilities of a large carrier. All trucks are equipped with GPS tracking, dispatching and messaging, and company-wide integration of Nextel® two-way communications are used for instant communication between drivers, dispatchers, and customer service. Information technologies include:

- EDI transaction sets (204, 210, 211, 214, 820, 990, 997) and images via FTP.
- Email reports (csv, excel)
- Paperless billing (pdf, tiff, csv formats)
- Website (My Account): easy to use customized website to track & trace shipments, view images of BOL's and POD's, get customer specific rates, transit times, schedule pickups, prepare bills of lading using templates and personalized address book, and create custom scheduled or on demand reports.

SAFETY & SECURITY

All drivers are HAZMAT certified and all employees have passed TSA security training. Drivers and freight handlers are trained to properly handle and secure shipments. Trailers are padlocked and facilities are secure. Our proactive approach to safety and security is reflected in our low claims ratio. Our Claims Ratio for last five years:

2006	2007	2008	2009	2010
0.68%	0.49%	0.59%	0.44%	0.47%
