

Dear Valued Customer,

On behalf of everyone at Peninsula Truck Lines, I would like to thank you for your continued support and selecting us as your service carrier in the Northwest. We sincerely appreciate your business and look forward to our continued relationship.

Peninsula is dedicated to delivering the highest quality transportation services with a commitment to providing the most consistent A.M. deliveries in the Northwest. We continually strive to improve our services by investing in our people, equipment, facilities and technology so that we can provide you with the most reliable user friendly service.

In order to maintain and improve our services, it is necessary that we make rate adjustments to cover increased costs. Effective July 1, 2018, we will implement a general rate increase of 5.95%. The general increase applies to class rates, minimum charges and other non-discounted rates. The increase will not apply to contracts, contract pricing or transportation agreements that have specific expiration dates.

If you have any questions regarding the increase please contact your Peninsula Account Executive or give us a call at (800) 942-9909. You may also visit our website, PeninsulaTruck.com for rate quotes that will reflect your updated rates after the increase is applied on 7/1/18.

Thanks for your business.

Sincerely,

Brenett Waltos
Vice President Sales & Marketing
