

We understand it's more important than ever to receive quality service that you can depend on every time.

That's why we are happy to share with you that Peninsula Truck Lines recently received the 37th Annual Quest for Quality Award as the highest ranked LTL carrier in the Western region.

What's Important to Freight Customers?

1. On-Time Performance
2. Information Technology
3. Customer Service
4. Equipment and Operations
5. Value

Over 4,500 freight customers were surveyed over a six-month period to

determine the quality of performance of freight carriers across the United States. Freight customers ranked carriers based on five requirements critical to their shipping needs.

Listening to Our Customers

Every year we target these five critical requirements for evaluation and opportunity based on our customers' input. We recognize that many businesses and families are facing unprecedented challenges due to COVID19, and we are committed to keep things moving safely while serving our communities at the same time. We appreciate and are honored to be recognized for delivering excellence to our customers during these challenging times.
