## Why Ship with Peninsula?

*Shippers look to Peninsula when they experience:*

- Frustration when carriers fail to pick up on the day and time requested
- Published transit times not being met
- Their customers complaining about late deliveries
- Continual issues dealing with freight damage and claims
- Unresponsive or unavailable Sales Representatives
- Poor Customer Service due to a lack of knowledgeable or local contacts

Peninsula Truck Lines provides the highest quality service by exceeding our customers' expectations in every transaction. We are a 3rd generation, family-owned solution-based carrier in the Pacific Northwest that offers timely pickups, consistent transit times and AM deliveries. Our people make the difference and when we accept your shipment we become an extension of your company.
